PRESS RELEASE

Davidson County FOP Lodge #97 will be conducting our Easter Fundraising event, from mid February through the end of February 2014. This event will be to allow us to present the shut-in Senior Citizens of Davidson County with a basket of food. We will be providing the Senior's with a ham and all the "fixin's."

Our goal is to ensure that our Senior Citizens in Davidson County get the hospitality they deserve along with some friendly company to enjoy and a nice meal to keep them happy. It is an awesome experience to meet these folks and watch the happiness in their face when we give them their Easter Food Basket.

If you have questions you may contact, James Shores, President of the Davidson County FOP Lodge #97 at ncfop@gmail.com.
